Re: Richard J. Gauthé

Dear George:

We received a letter from R. Lynn Mortensen, your Director of Field Service concerning Richard J. Gauthé. Mr. Mortensen enclosed the statement we requested in our letter of May 11, signed by the Scoutmaster of Troop 408, the unit to which Mr. Gauthé was attached at the time of his misdeeds. We appreciate receiving this and have placed the information in our file.

This will be most helpful in the future, should Mr. Gauthé ever again attempt to register in the Scouting program.

Sincerely,

Paul Ernst, Supervisor

Re: Richard J. Gauthé

Dear Paul:

Enclosed is a statement in reference to Richard J. Gauthé, a confidential inquiry which was originally initiated from our office.

From the enclosure, you will see that this man has moved from our Council so our hands are tied as far as proceeding further. I do understand that he has returned to his home town of Napoleonville, Louisiana. It is also my understanding that he was registered in a Troop at Napoleonville concurrently with his registration here. To make a stab at a number--of which we are not sure--Troop 323. Maybe a letter to that Council alerting them may prove most helpful.

Sincerely,

R. Lynn Mortensen
Director of Field Services

To whom it may concern:

In reference to a pending confidential file on Richard J. Gauthé, I, [REDACTED], Scoutmaster of Troop 408, Denver Area Council, the Troop within which Mr. Gauthé was last registered, was contacted to provide more information as backup material for Mr. Gauthé's statement given to the Scout Executive of the Denver Area Council.

The facts are as follows:

After Mr. Gauthé had signed his statement to the Denver Area Council, he was summoned to a hearing of evidence for possible military action by Lowry Air Force Base. I, [REDACTED], was asked to appear before the hearing to present my information concerning Mr. Gauthé's action.

At the hearing, I informed the hearing board that on three occasions, with three different members of the Troop as reported to me, Mr. Gauthé had taken the liberty of fondling the genitals of these young Scouts while they were asleep in sleeping bags. Two of these occasions occurred on Troop campouts and the third incident occurred when a Scout spent the evening in Military billeting with Mr. Gauthé just prior to a campout. The parents of the Scout who was in Military billeting was the party that caused the incidents to come to light.

My involvement was that of a Scoutmaster who had the responsibility of seeing that the parents of the boys knew what incidents had occurred. It is my understanding that Mr. Gauthé has been released from further military service on a medical discharge as a result of the hearing. Military procedure does not allow for civilians to obtain information on the outcome of such hearings unless they were directly involved. As a result, [REDACTED] cannot state the supposed reason for his discharge to be fact [REDACTED]

Re: Richard J. Gauthé

Dear George:

I have your letter of December 28 concerning Mr. Richard J. Gauthé. You have provided all of the personal data that we need for our Confidential File but you have not provided me with any supporting evidence as to this man's improper conduct. You indicate that you had a personal conference with Mr. Gauthé and that he has admitted to things. As long as he remains in the Denver Area Council, we have no problems. You do not choose to register him and you and he know why. If, however, he moves to St. Louis and wants to register, I am in a very weak spot, if he asks me to provide cause for not registering him.

I will appreciate your giving me any additional material that you can, to substantiate our file.

Best personal regards.

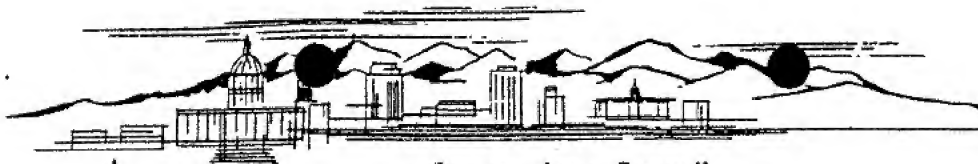

Sincerely,
